

## OUR MISSION

The focus of this worship and intercession tour will be to make prophetic decrees more than sightseeing. Through the Breaker Anointing, we will proclaim a governmental shift from “Saul to David”, ie for the Church and nations to align with God’s will.

Our strategic worship will coincide with anniversaries:  
- 500 years since Reformation.  
- 100 year ANZAC victory at Beersheba.

Throne-room worship throughout Israel: from Dan (north) to Beersheba (south) 2 Samuel 3:1,10

To worship and prepare the way for the King of Glory as we stand with the nation of Israel.
